

FGP Litter Bin

A contemporary-yet-classic looking bin that will blend in nicely with many outdoor environments, the FGP Litter Bin is a handsome element that complements other pieces in the FGP collection.

The cast aluminium parts have a durable powder coated finish, and the bin has a cast aluminium rim and rotational-moulded base that are connected with vertical timber slats in between. Servicing is made easy through the cast aluminium top being hinged so that it swings up, whilst the attractive timber slats are available in the same species as the bench.

L: 497mm x D: 484mm x H: 937mm x Capacity: 64L
