

Steel Bollard Slant Top 139mm Diameter

This is a 139mm slanted top diameter bollard, with a galvanised finish as standard and can be powder coated in a range of colours. A root fixed bollard, the 139mm Diameter Steel Slanted Top Bollard does come with a number of optional extras, making this a popular and durable product.

If you want a smart, contemporary looking bollard that is great for separating areas, or for ensuring that the edge of a structure, car park, or space is easily and properly identified, then this makes a great solution.

Optional extras include: Anti-ram. Removable. Chain lug attachments. Hazard Banding. Surface Mounted.

H: 1000mm x Dia: 139mm
